

## **KS2 Unit 6 Lesson 6 Crib Sheet**

### **Being Creative in Your Language**

This is the final lesson in a six-week unit where we ask pupils to work in small groups to create their own language. These lessons are based on the Queen Mary Invented Languages Scheme materials, protected under CC-BY-NC. Our sincere thanks go to Professor David Adger and Dr Coppe van Urksor at <https://creatinglanguages.org/> for the generous sharing of their material with us.

**Slide 1:** Introduce the aims of the lesson which are to give pupils an opportunity to use their constructed language creatively. They can choose from the following options:

**Slide 2:** Poetry: Can they write a poem about their island planet in their language?

What kind of rhythm do their words have? Can they make it rhyme?

**Slide 3:** Or would they rather create a short drama sketch?

**Slide 4:** Or create a piece of art/calligraphy?

**Slide 5:** Or make up a national song for their island or planet, thinking about rhythm, pitch, speed and instruments?

**Slide 6:** Could they write a creation myth?

**Slide 7:** Acknowledgements.

These activities could run over a course of weeks or could be set as homework tasks. We hope you have enjoyed this unit.
