

KS2 Unit 6 Lesson 3 Choosing Words and Plurals Worksheet

Design Choice 4: Length of words

How do words in some languages become so long? They consist of multiple **parts**. Let us look at Inuit. We call parts of words **morphemes**.

qarisaujat – tsiava - ralaaq

computer – good – small

`small good computer'

How long will the words in your language be? Short, like in Vietnamese or long, like in Inuit? Create 10 new words.

Aliens have come to your planet! Monsters have come to your island!

Produce pictures and names for the creatures on your planet or island.

Design Choice 5: Plurals

How will you create plurals?

Write down 10 plurals from the words you have already created.

Now pick at least two of your plurals and make it different from the others.

Finally, translate these words into your language:

- | | |
|------------|-----------|
| • Tree | Trees |
| • Mountain | Mountains |
| • Monster | Monsters |
| • Water | Waters |
| • River | Rivers |
